## THE SALUTATION OF THE DAWN

*From the Sanskrit*

Listen to the Exhortation of the Dawn!

Look to this Day!

For it is life, the very life of life.

In its brief course lie all the verities

And realities of your existence:

The glory of action,

The bliss of growth,

The splendor of beauty:

For yesterday is but a dream,

And tomorrow is only a vision;

But today well lived, makes

Every yesterday a dream of happiness

And every tomorrow a vision of hope.

Look well, therefore, to this Day!

Such is the Salutation of the Dawn!

CLASSES

## SENIOR CLASS HISTORY

•

We, the graduating class of 1938 who set sail on the good ship "G. H. H. S." in the fall of 1934, have finally arrived at the end of our journey. One hundred and forty-eight of us were able to overcome obstacles under the guidance of R. J. Young and Miss Bower. R. J. Young, Louis Murphy and George Weber represented us in athletics.

Our Sophomore year was seen safely through under the aid of President Bill Williams, and the sponsor Miss Walters. We were more eager than ever to pursue our education.

Miss Dorothy Edwards and Miss Sarah Fredricks assisted us in our Junior year in presenting our class play, "Three Cornered Moon," which was a great success. We also treated the Seniors to a skating party at the Barn. The President was Max Perry.

Now as Seniors we look back upon those three fruitful years and regret that we are about to leave the things and people who have grown so dear to us.

Robert Pellett, our class president, with the aid of Mr. Thoma has helped to make our last year in school enjoyable. "Growing Pains," our class play was very successful.

We extend our most sincere wishes of good luck to the lower classes.

As we now say "goodbye" we wish to thank the entire faculty for their assistance in making our school life at Grand Haven High School a pleasant one.

## CLASS WILL

•

We, the Class of 1938 of the Grand Haven High School of Grand Haven, County of Ottawa, State of Michigan, being of sound body and somewhat sane mind, do declare this our last will and testament — hereby revoking all former wills and testaments made by us. Our personal bequests are bestowed as follows:

I, Stuart Anderson, will my trips to Muskegon to Gerald Scholte.

We, Dorothy Arkema, Margaret Verseput, Jane Bosch, and Jean Chapman, leave our interest in Muskegon to Ruth Swartz and Gwendolyn Breitels.

I, Charles Baker, bequeath my anti-social attitude to the American Problems Class, for minute study and care.

I, Ralph Baldwin, will my position as shortest man on the football team to Jud Baldus.

I, Bill Barr, leave my "Fuller Brush" haircut to Edna Mary Jacobson.

I, Robert Barr, will to Russ Baltz my "buzz method" of playing the trombone.

I, John Bazany, leave my pitching ability to Maxine Pike.

I, Mary Louise Beach, will my blonde hair to Patty Eskew.

I, Evelyn Beattie, will my post-graduate interest to June Day.

I, Cornell Beukema, will my slide-rule to Earl Boiten.

I, Alfred Blackmer, will my carpentry to anyone who wants to build sets for next year's Senior Play.

I, Robert Bolton, will my intellectual aspersions to Aristotle (deceased).

I, Russell Bolton, leave the attraction of my beautiful eyes to Margaret Briegel.

I, Richard Boon, will my Pep to Bob Hoek.

I, Roberta Burns, will my "Charlie McCarthy" act to Virginia McCarthy.

I, Eleanor Carlson, leave my score of "Eight Hearts—Doubled" to Suds Sutherland.  
Hope you never need it, Suds.

I, Jack Constant, will my ubiquity to Emily Hodal.

I, Dorwin Ccok, leave my class ring to Marjorie Kieft.

We, Louise Cook and Les Page, will our constant companionship to the Kromp twins.

I, Bill Correll, will my Wings to Kenneth Burger.

I, Marge Crouse, will Les Van Tol to Grand Haven High School until he can be disposed of further.

I, Harold De Ryke, leave a can of Sanka Coffee to Bill Williams. 'Drink it and sleep.'

I, Rose Dusnik, will to Virginia Grubham my cooking ability.

I, Betty Eckhoff, will my amiability to Kathleen Austin.

## SENIOR CLASS PROPHECY

•

Jane Bosch and Jean Chapman left New York City one morning in July, 1950 to spend several weeks at Warren Salisbury's Summer Resort in Alaska. They took John Bazany's Taxi cab to the "Minnow" Miller Railroad Lines. Aboard, Clyde Van Arkel, the porter, made them comfortable with books and magazines. Looking around they found many of their classmates of "38." Bill and Bob Barr were talking to Chief Justice Joe Bartholomew about the work of the new G.H.H.S. principal, Edward Lowman. Kay Van Opynen, hairdresser to actress Lola Johnson, was engaged in conversation with Gordon Vink, head of the foreign legion. John Wright, noted Geologist was on his way to Chicago to see a play written by Effie Swier and Cathryn Van Hees. Margaret Verseput and Ellen Klintworth were the great dramatists in the play.

Arriving at Chicago, Jane and Jean called upon Ann Nykamp who was a model at Joanna Kamenski's Dress Shoppe, where Maydra Spangler and Mary Ellen Johnston were sales ladies. Lawyer John Velik was on his way to court to settle a case between Joe Fricano and Marshall Parmalee as to which one wrote "The Lost Mohican." Richard Boon, noted commentator on sports was at George Yedinak's Barber Shop. Bill Hawkins, explorer, and Dorwin Cook, Silk Manufacturer, were out of town. Leona Van Haver, song writer was seen with Betty Jane Kaspersen at Betty Weaver's Pet Shop. State Trooper, Leslie Page, guided the two girls up Michigan Avenue past the Lawrence Peterson, Herman Peterson and Jack Peterson, Inc., Cellophane Manufacture Factory. The Odmark, Perry Music Shop was not open.

In Utah they stopped at Marge Mulder's Horse Ranch, and Bob Pellett's Traveling Library which is composed of books written by Jack Constant. Rose Dusnik, secretary to Ray Green Insurance Agency was at Margaret Hodal's Chicken Farm.

At the Golden Gate they took the Louis Murphy Steamship Lines to Alaska. Paul Van Tol, the ship's doctor, and Beatrice Styx, his nurse, were taking care of Jane McCrea who was very, very seasick. Frank Jeaubien, Frank Hale and Dave Hindal, America's "playboys" were teaching Bob Pippel how to play tennis on the ship's court. Maude Myers and Phyllis Struble, journalists were strolling on the deck.

Upon arriving at the resort, they ate at the Ione, Isabelle Mitchell Inc. Lunch Room where they met Evelyn Beattie and Carolyn Krompotich, two kindergarten teachers. Sid Haan showed them the "sights" of the resort. John Westhof's Straw Hat Agency, Charles Baker's "Eversinging" canaries, Robert Ver Wert's Photography Studio, R. J. Young the Lifeguard, Robert Bolton's gymnasium, Satter Soap Agency and the Stuart Anderson Escort Bureau (No cold shoulder here). At the Weber Smith Roller Rink, Dorothy Arkema, Mary Louise Beach and Eleanor Carlson, were roller-skating. Cornell Beukema, Russell Bolton and Harold De-Ryke were instructors. Alfred Blackmer, noted air pilot for Betty Eckhoff, gave Louise Cook, Elaine Hall, Vera Gleason and Emily Jansen a "Night View" of the resort. Sally Lee, hairdresser, Lois McMillan, Alice Vander Wal and Vera Streng, Representatives in Congress, were discussing Clazena Van Bogelen's Bill in Congress. Mary Jane Peterson and Marba Stap, Interior Decorators, were planning designs for Roberta Burn's new home. Lillian Wiegerink, Helen Van Workem and Agnes Vander Ven, Socialites, were visiting Laurene Thorstein who is a prominent welfare worker. Leslie Vink is a well known window washer for the firm of Wayne Van Hall and Sam Jacobs, dealers in leather. Margaret Vander Zalm, storekeeper, has Mary Fochman and Thelma Vander Meiden as her assistants. Bill Wilds and Jane Laczynski deal in bathing suits for the Eskimos. Stan Waskin wasn't anywhere to be seen. He is the Current Ambassador to Fruitport.

We hope you enjoyed your vacation, girls!

## JUNIOR CLASS HISTORY

•

We Juniors this year are proud that we are the members of the graduation class of 1939.

We were guided through the year by our class officers: Stewart Johnson, president; Judson Baldus, vice-president; Charles Rycenga, secretary; and Frank Van Woerkom, treasurer.

The members of the student council were Virginia Borman, Mike Krompotick, and Peter Bonny. Our sponsor, Miss Bower, aided us in all details.

Our Junior play, "Spring Dance," was a huge success. All major activities were aided by our illustrious juniors and, scholastically, our class headed the list.

It is with pleasure that we look forward to a most successful senior year.

## SOPHOMORE HISTORY

•

As freshmen, our roll consisted of 217 students. At our first meeting, we elected Bob Mulder, president; Ed Bartholemew, secretary; and Alfonso Fortino, treasurer. Mr. Odle was chosen as our sponsor.

In the Declamation Contest, we were represented by Marjorie Emery, Beulah Peck, and Alvin Jacobson.

Starting out as sophomores 175 strong, we elected Eugene Rothi, president; Dona Lois Plumb, vice-president; Peter De Vries, secretary; and Muriel Ten Have, treasurer. We also chose Mr. Schaubel as our sponsor.

Alvin Jacobson, a member of our class, won the Declamation Contest.

We wish to extend our gratitude to Mr. Schaubel for leading us safely through the school year of 1937 and 1938.

## FRESHMAN CLASS HISTORY

•

The class of 1941 entered Grand Haven High School for the first time in the fall of 1937. We started out with a record enrollment of 220 and under the able direction of Mr. King we elected for our class officers: Craig Van Zanten, president; Yvonne Fisher, vice-president; Clifford Pfaff, secretary; John Kieft, treasurer. Robert Meschke and Catherine Fett were chosen as student council representatives.

Naturally we were new at the task of getting into the right class at the right time and often found ourselves in 210 instead of 214.

We were entertained early in the year by the Sophomores with a reception. During the second semester we returned this party and we all had an enjoyable time.

We have had a very profitable year as Freshmen and are grateful to the faculty and all those who have helped to make it successful.

## SENIOR PLAY

Another year has passed and the curtain has again fallen on a very successful Senior Play. The Seniors of '38 will long be remembered for their splendid portrayal of Aurania Rouverol's play "Growing Pains." The story appealed not only to the older spectators, but also the younger which goes to show that we all like familiar things, and things we recognize as part of our own experience, real life and homely humor. It was a fast moving story of a month of the life of the McIntyre family.

The characters were as follows:

<i>George McIntyre</i>	-----	Ronald Odmark
<i>Terry McIntyre</i>	-----	Mary Rodd
<i>Mrs. McIntyre</i>	-----	Maydra Spangler
<i>Professor McIntyre</i>	-----	Frank Hale
<i>Sophie</i>	-----	Kay Van Opynen
<i>Mrs. Paterson</i>	-----	Margaret Vander Zalm
<i>Elsie Paterson</i>	-----	Margaret Verseput
<i>Traffic Officer</i>	-----	Max Perry
<i>Dutch</i>	-----	Joe Fricano
<i>Brian</i>	-----	Bill Barr
<i>Omar</i>	-----	Stuart Anderson
<i>Hal</i>	-----	John Westhof
<i>Pete</i>	-----	John Wright
<i>Prudence</i>	-----	Roberta Burns
<i>Patty</i>	-----	Jane McCrea
<i>Jane</i>	-----	Beatrice Styx
<i>Miriam</i>	-----	Marjorie Mulder
<i>Vivian</i>	-----	Eleanor Carlson

The date this year was March 11. Then the Juniors became college students with their love affairs and college dignity and gave us Philip Barry's "Spring Dance."

Alex, madly in love with Sam, found that her roommates were a great help to her in settling her affairs for her. Sam wanted to go to Siberia and was in love with Alex. Then there was Miss Ritchie, the much-novelized house Mother, and Kate, who loved to "mother" the girls. Remember the Lippincott who thought he knew all the answers? College life and a college dance as portrayed by the Juniors is long to be remembered. And Miss Edwards, as the director, can add another to her list of successful plays.

The complete cast is as follows:

<i>Sam Thatcher</i>	Charles Robinson
<i>Alex Benson</i>	Jean Jenkins
<i>The Lippincott</i>	Norman Boomgaard
<i>Hat</i>	Bill Rescorla
<i>Buck Buchanan</i>	Bob Hoek
<i>Doc Boyd</i>	Stewart Johnson
<i>Professor Beckett</i>	John Theiler
<i>Kate McKim</i>	Kathleen Austin
<i>Mady Platt</i>	Mary Mason
<i>Frances Fenn</i>	Helen Louise Kieft
<i>Sally Prescott</i>	Virginia Borman
<i>Miss Ritchie</i>	Esther Page
<i>Mildred</i>	Virginia Warber

## BAND

Once again with a helping hand extended by Director M. F. Richards and the Band Mothers Club, the Band has completed a highly successful year.

In the fall, football games and a paper drive held our attention and for the first time in the history of the Band a Christmas concert was given. In April, came the Twelfth Annual Band Concert. Also in April several of the Band members competed in the State solo contest at Ann Arbor. In May we attended the West Shore Music Festival and with another paper drive we wound up a successful year.

The officers of the Band are: Max Perry, president; Helen Huls, vice-president; Osie Jackson, secretary; Robert Barr, treasurer; Sally Lee, librarian; Vera Streng, assistant librarian; Leslie Van Tol, drum major; Robert Bolton, manager; R. J. Young, assistant manager; M. F. Richards, director; Ronald Odmark, student director; Marjorie Crouse, girl drum major; Robert Pippel, twirling drum major.

The members of the Band are as follows:

## ORCHESTRA

## GLEE CLUB

The high school choir of thirty-five voices, under the direction of Miss Elsie Anderson, accomplished outstanding work this year. When the choir organized in September, it was voted that robes should be purchased for the choir. Robes were bought with funds acquired from the Spring festivals given each year by the Music department of the schools.

The choir's repertoire includes many numbers, both sacred and secular. It has presented programs on special occasions for assemblies and P. T. A. meetings. It also participated in the Christmas Choral Music Program sponsored by the Tuesday Musical.

The highlight of the choir's year came with its part in the Annual spring festival.

The choir members are: Ronald Odmark, president; Doris Welling, secretary-treasurer; Mary Louise Beach, Rosemary Schillo, Muriel Ten Have, Marjorie Emery, Joan Van Zantwick, Virginia Schwab, Norma Chapman, Sarah Jane Bennett, June De Vries, Esther Page, Bernice Swartz, Irene Wiebenga, Mary Hellem, Evelyn Beat- tie, Barbara Clark, Betty Peacock, Maydra Spangler, June Day, Audrey Van Hall, Janice Tatroe, Marba Stap, Robert Barr, Bill Barr, Albert Copp, Robert Ver Woert, Robert Merrill, Charles Baker, Frank Hale, Cornell Beukema, Mary Jane Peterson, accompanist.

The Annual Michigan West Shore Festival, held this May, climaxed a year of hard work on the part of the Music department of our school, as well as many other schools. Choral night was held in Grand Haven on Tuesday night, May tenth. A chorus of three hundred singers rendered twelve numbers in unison, and each school's chorus had a special number. Dr. Russell Morgan, director of Music in the Cleveland, Ohio, schools, was the guest director.

Our band and orchestra went to Muskegon where the instrumental festival was held. The guest conductor was Captain Taylor Branson of the U. S. Marine Band.

The following towns entered into the Festival:

Ludington, Whitehall, Muskegon, North Muskegon, Muskegon Heights, Hart, Grand Haven.

## MUSIC FESTIVAL

## HAVENITE

We, on the Havenite staff, feel that we have accomplished a great deal this year. Every month we have had a full sheet in the Grand Haven Daily Tribune. Besides this regular issue a small paper is printed in school every month by some of the members of the regular staff.

<i>Editor-in-Chief</i>	----- Evelyn Johnson
<i>Makeup Editor</i>	----- Jean Graham
<i>Sports Editor</i>	----- Mart La Maire
<i>Typists</i>	----- Evelyn Beattie, Virginia Warber
<i>Exchange Editor</i>	----- Howard Rosema

<i>Reporters</i>	----- Bill Barr, Helen Swanson, Mary Mason, Eleanor Carlson, Jessie Olsen, Howard Rosema, Eunice Millar, Marjorie Emery, Betty Conant, Jean Mitchell, Mary Ann Yonker, Virginia Borman and Frank Van Woerkom.

The Annual Board of 1938 wishes to present the Annual to the Grand Haven High School this year in a new form. We are issuing this annual, which has been compiled by a new process, for your inspection.

Instead of working with the engravers this year, we have used a new process called offset printing. The publishing has been done by the W. M. Welch Company.

The Annual Board, consisting of twenty-one members, has tried hard this year and we hope that this book, the fruit of our efforts, meets with your approval.

## FORENSIC CONTESTS

### DECLAMATIONS

At a special contest, Alvin Jacobson, Robert Bowen, and Robert Meschke were chosen to declaim the night of March sixteenth in the public speaking contest. Alvin Jacobson won first place giving "An Undergraduate Looks at Religion," by Thomas Perry Jones.

### ORATIONS

Vera Streng, Kenneth Daane, Ralph Baldwin, and Sally Lee were chosen to present their original orations the same night. First place was won by Vera Streng. The title of her oration is "Cruelty Triumphant."

### EXTEMPORANEOUS SPEAKING

Roberta Burns, Herman Petersen, and John Westhof spoke on subjects which they had drawn only an hour before. Roberta Burns placed first with "Is Japan Today a Threat to American Peace?"

The Speech Club has discontinued its regular semi-monthly meetings and has met when necessary. The club has worked to promote dramatics among the high school students. Plays were given for assemblies, forums were organized, and programs for other schools were part of the year's work. Beside this, much work along dramatic lines has been done in various civic organizations by our members.

Thanks to Miss Edwards for her sponsorship of the club.

## SPEECH CLUB

## THE HOME ECONOMICS CLUB

•

The Home Economics Club of 1937 and 1938 met for the first time this year on September 15, 1937. The purpose of the club is to get as many girls as possible interested in Home Economics and also to give each girl a taste of social life through the Home Economics department. Each meeting brings about a discussion on business, entertainment, and finally refreshments.

Last June the officers were elected for this year. Betty Eckhoff was elected president; Beatrice Styx, vice-president; Thelma Vander Meiden, secretary; and Carolyn Krompotich, treasurer.

In October the club had a pot-luck supper, and in November the Girls' Athletic Association were guests of the club at a party at the Ferry gym. December brought with it a Christmas party, and in January, the girls enjoyed a sleigh-ride party. "Snow-white and the Seven Dwarfs," presented by some of the Home Ec. club members, was given at our March meeting.

The fifty-five members feel that the Club has accomplished its aims rather well this year.

The Camp Fire Girls have been very active this year. How would the football fans have kept warm without our "Hot Dogs?" How would the basketball fans have kept cool without our "Frost Bites?" Besides serving the crowd we have served ourselves. We did this in several different ways.

We gained knowledge of nature through our nature hikes. We gained knowledge of cooking through our out-door dinners prepared mainly at Miss Young's outdoor fireplace, and through our several progressive dinners. We have learned the art of entertaining by our Camp Fire parties.

We were also of service to the hospital. Several times we spent our evenings folding compresses for them. We also helped the American Legion by painting and dressing dolls for them at Christmas time.

We showed our cooperation by assisting the newly organized Camp Fire group at the Eagle Ottawa Hall at their house warming.

Yes! It's great sport to be a Camp Fire Girl!

## STUDENT COUNCIL

The Student Council was organized at the beginning of the year and has met every other Tuesday morning. It is composed of two members each from the Freshman and Sophomore classes and three each from the Junior and Senior classes. The members are:

<i>Seniors</i>	Stuart Anderson, <i>president</i> Ralph Baldwin George Weber
<i>Juniors</i>	Peter Bonny Virginia Borman <i>vice-president</i> Mike Krompotich
<i>Sophomores</i>	Doris Jean Bosch Ed Weavers <i>secretary</i>
<i>Freshmen</i>	Catherine Fett Robert Meschke

Our main project this year was a study of social activities. A special committee was created to help, consisting of the presidents and class sponsors of the four classes. This committee planned a calendar of five parties, three of them being all-school parties and two inter-class parties. An attempt was also made to sample the student opinion on matters relating to the social hours.

Miss Helen M. Bell has acted as sponsor of the group.

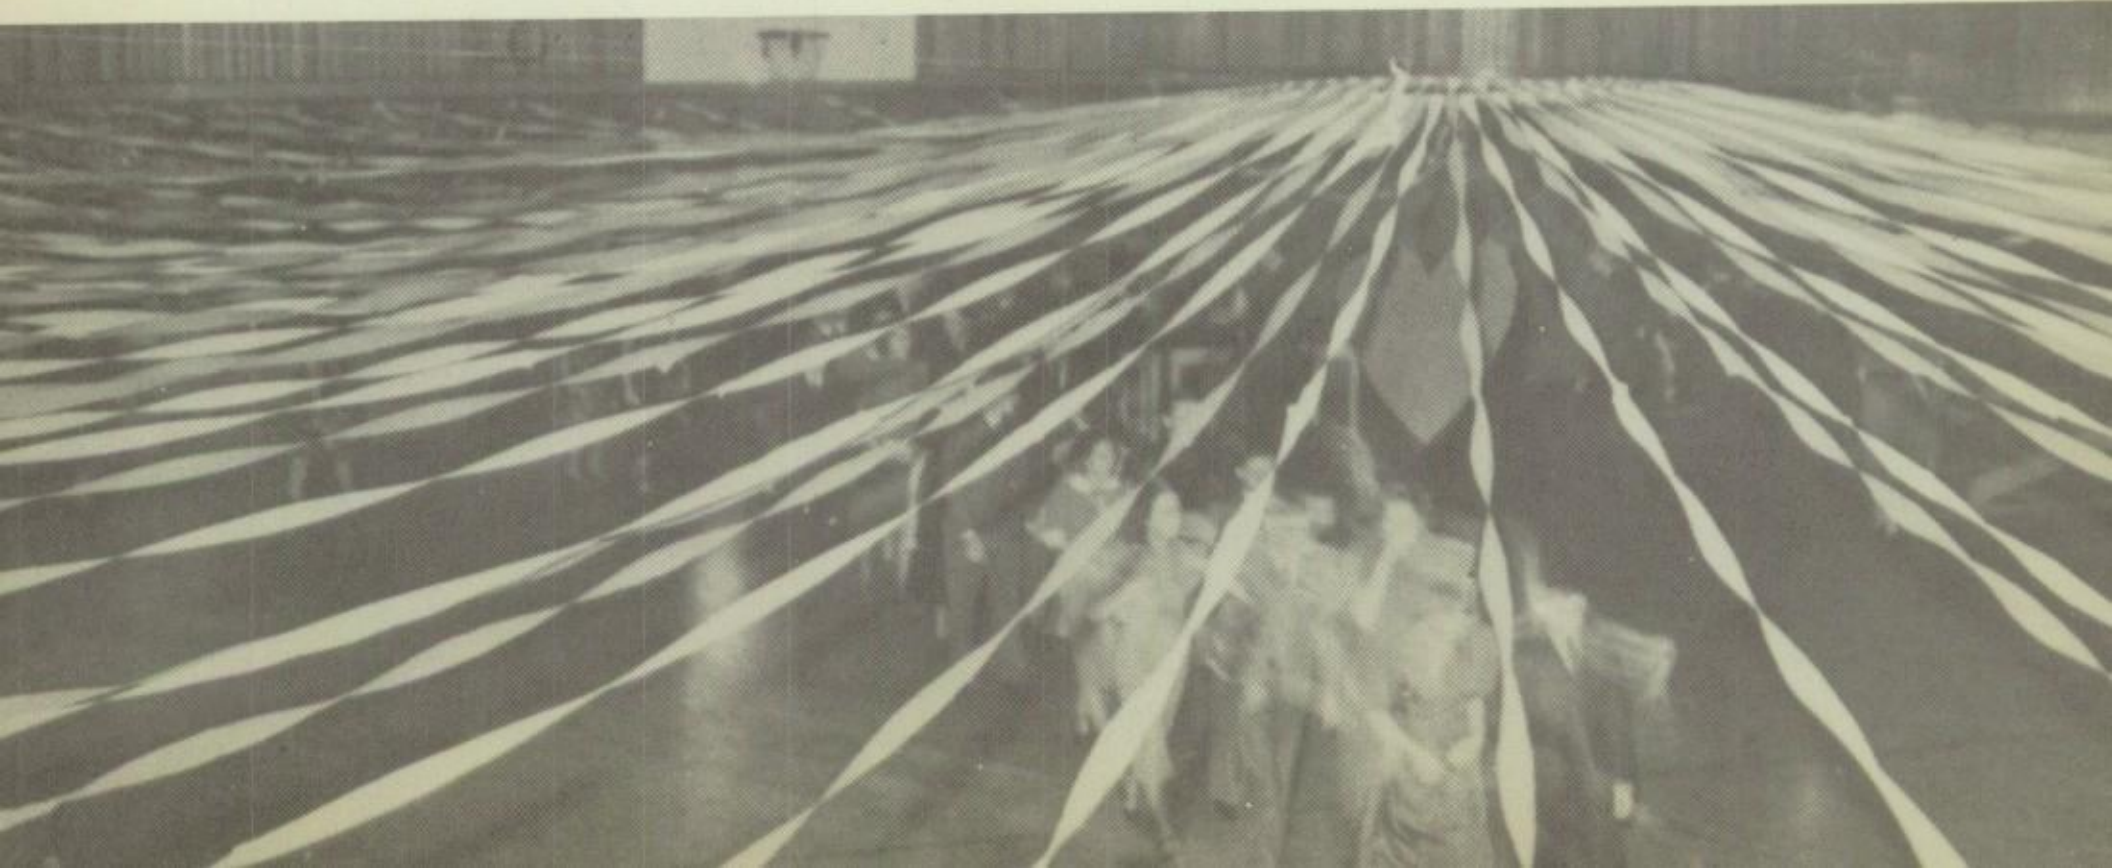

## SOCIAL HOURS

•

About once a month or so the gymnasium is all decorated up an' stuff for a jam session. This year the parties are classified for Freshmen, Sophomore, Junior, Senior, etc., with an all school party every now and then. Dancing isn't the only recreation tho'—one can enjoy one's self playing ping-pong, brushing up on his bridge or just playing cards. Your only ticket for admission is your loyalty to your class—proved by your identification card. No crashing is allowed but an earnest invitation is extended to all class members. Eight to eleven are the hours and in that time you can get a lot of socializing done—and a good time is had by all.

## HI-Y

•

The Hi-Y Club this year followed its usual course under the high ideals of Clean Living, Clean Scholarship, Clean Athletics, and Clean Speech, carrying out its purpose of creating high standards of Christian character.

The membership was cut to twenty-five this year. One of the big projects was the Magician Show. Others were swimming meetings at Muskegon, attending beach roasts, and hearing speakers. We also helped the school with its football programs, and checking at all activities.

A selected group of boys attended the Older Boys' Conference at Battle Creek and another group went to Lansing and enjoyed a full day of speeches at the Capitol and a banquet at night.

The Club financed its activities by selling coca-cola at all basketball games.

We have enjoyed being under the leadership of our sponsor, Mr. Schaubel, and wish to thank him for his time and attention.

Choral Speaking has been introduced in the United States but recently, so we are advanced in having a Verse Speaking Choir. It is a continuation of the Greek chorus, wandering minstrels and troubadours.

Choral Speaking is the oral interpretation of poetry or prose by many voices speaking as one—and it takes more training than the old fashioned class recitation when the whole class “spoke it together.”

Under the direction of Miss Hurst, several programs were arranged. The outstanding of these were the programs given in Grand Rapids at Teachers’ Institute, where, angelically robed, we won the approval of many; and the selections given at the Christmas Festival. Miss Hurst entertained us with a delightful lunch after the Feste. If you’re interested in “How to Wash Dishes,” ask Tom or John.

This is a list of the members: Madra Spangler, Lois Swart, Grace Rittenberg, Kathleen Austin, Sally Cooper, Esther Page, Helen Swanson, Norma Smith, Dorothy DeVries, Virginia Borman, Helen Louise Kieft, Owen Fett, John Theiler, Arthur Fisher, Robert Spoelma, Frank VanWoerkom, Tom Johnston, Bill DeWitt, Stuart Johnson, Russ Fisher.

The Photography Club was organized this year by those who were interested in photography. Each meeting was given over to some phase of instruction in photography, such as analysis of cameras, lighting, exposures, composition of pictures, history of photography, developing and printing, lenses, and various other technical details.

On March 31, we enjoyed a talk by Mr. Mosher, local photographer, on the "History of Photography," and also some very excellent advice on photographic matters. Bob VerWoert, apprentice to Mr. Mosher, was of valuable help to the Club throughout the year.

### *Grand Haven 18 — St. Mary's 0*

Grand Haven opened their season at Ferry Field, Saturday, September 25, by humbling a veteran but outclassed St. Mary's team 18-0. The offensive work of the Blue and Gold's inexperienced pony backfield stood out in the game. Cook, late in the second quarter, faked a pass and ran 34 yards to score. This play was the highlight of the game.

Baldus scored the opening touchdown when he recovered a fumble behind the St. Mary's goal line. Baldwin scored the final touchdown on a sweep around end from St. Mary's ten yard stripe.

### *Grand Haven 0 — Grand Rapids Catholic 25*

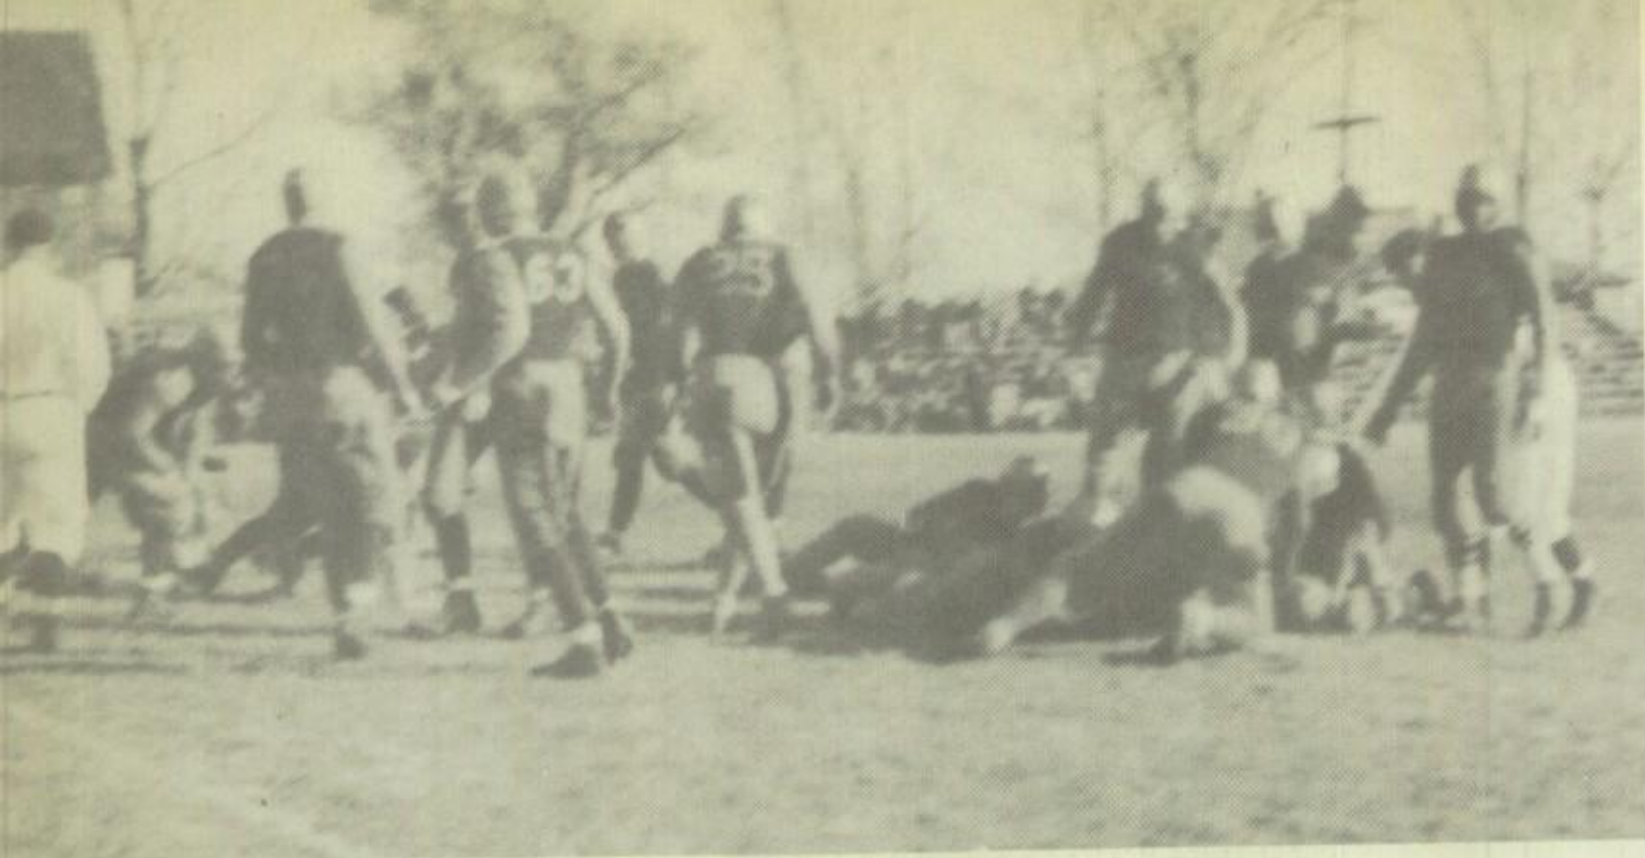

Outclassed by the superior weight and offensive thrusts of the Cougars, the Blue and Gold team went down to defeat by a score of 25-0. For three periods Grand Haven's line turned in a very credible showing holding their opponents to 12 points, but cracked in the fourth and final period from the terrific pounding of the parochial unmerciful attack.

Grand Haven's most threatening gesture came on a pass, Anderson to Murphy, who in turn lateralled to Cook. The entire play netted 52 yards before Cook was finally dropped on the 29 yard line.

The two Krompotich twins, Mike and Carl, and Young all showed up well in the Grand Haven forward wall, while the play of Rycenga and Baldwin stood out in the backfield.

### *Grand Haven 0 — Muskegon 39*

Grand Haven lost their first conference game of the season, October 9 to Muskegon's state championship eleven on the Hackley Field gridiron.

Muskegon made good use of all the breaks they received and led the Havenites 25-0 at halftime.

Mike Krompotich, and Young turned in a good game on the line, as did Captain Weber and Licitra in the ball toting department.

### *Grand Haven 6 — Kalamazoo 32*

Kalamazoo Central took the measure of Coach Bosworth's Golden Wave in the fourth game of the season played at Ferry Field by a score of 32-6. Grand Haven's lone touchdown came in the fourth quarter. The score was made by Licitra on a buck from the one yard line after a 20-yard pass combined with a Kazoo penalty had placed the ball on the 5 yard stripe.

Outstanding for Grand Haven in the defensive department were Pellett, Rycenga, and Anderson.

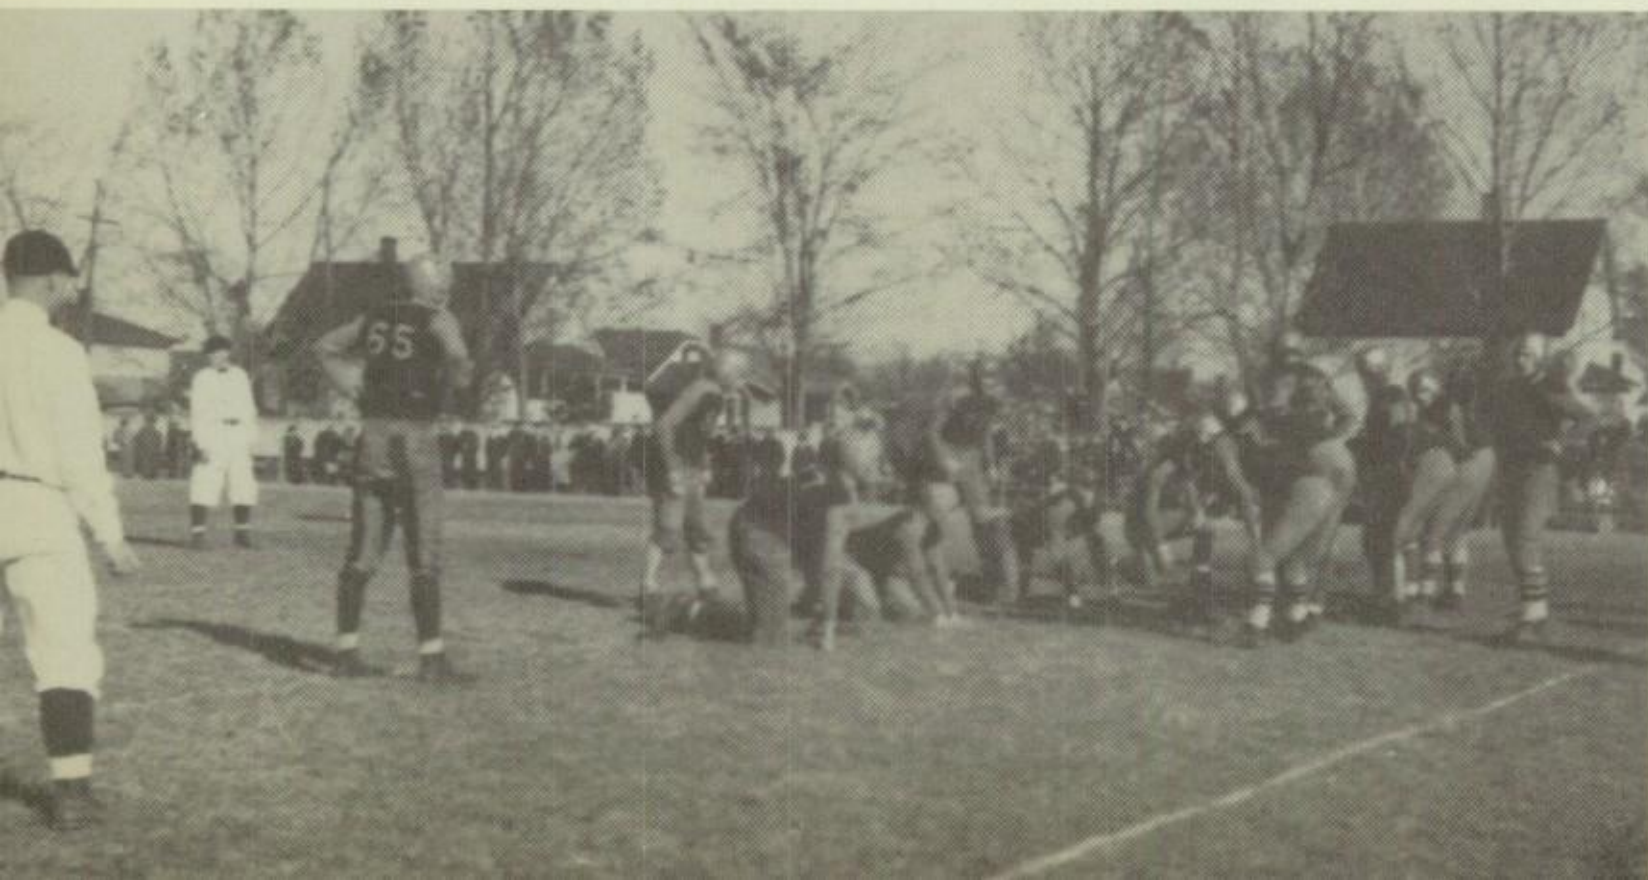

### *Grand Haven 7 — Davis Tech of Grand Rapids 0*

By defeating Davis Tech 7-0, Coach Bosworth's eleven broke even with its Grand Rapids rivals and atoned for an early season drubbing handed them by another Furniture City team, Catholic Central. The Grand Haven offense again flashed a great pass attack and scored its touchdown midway in the fourth period.

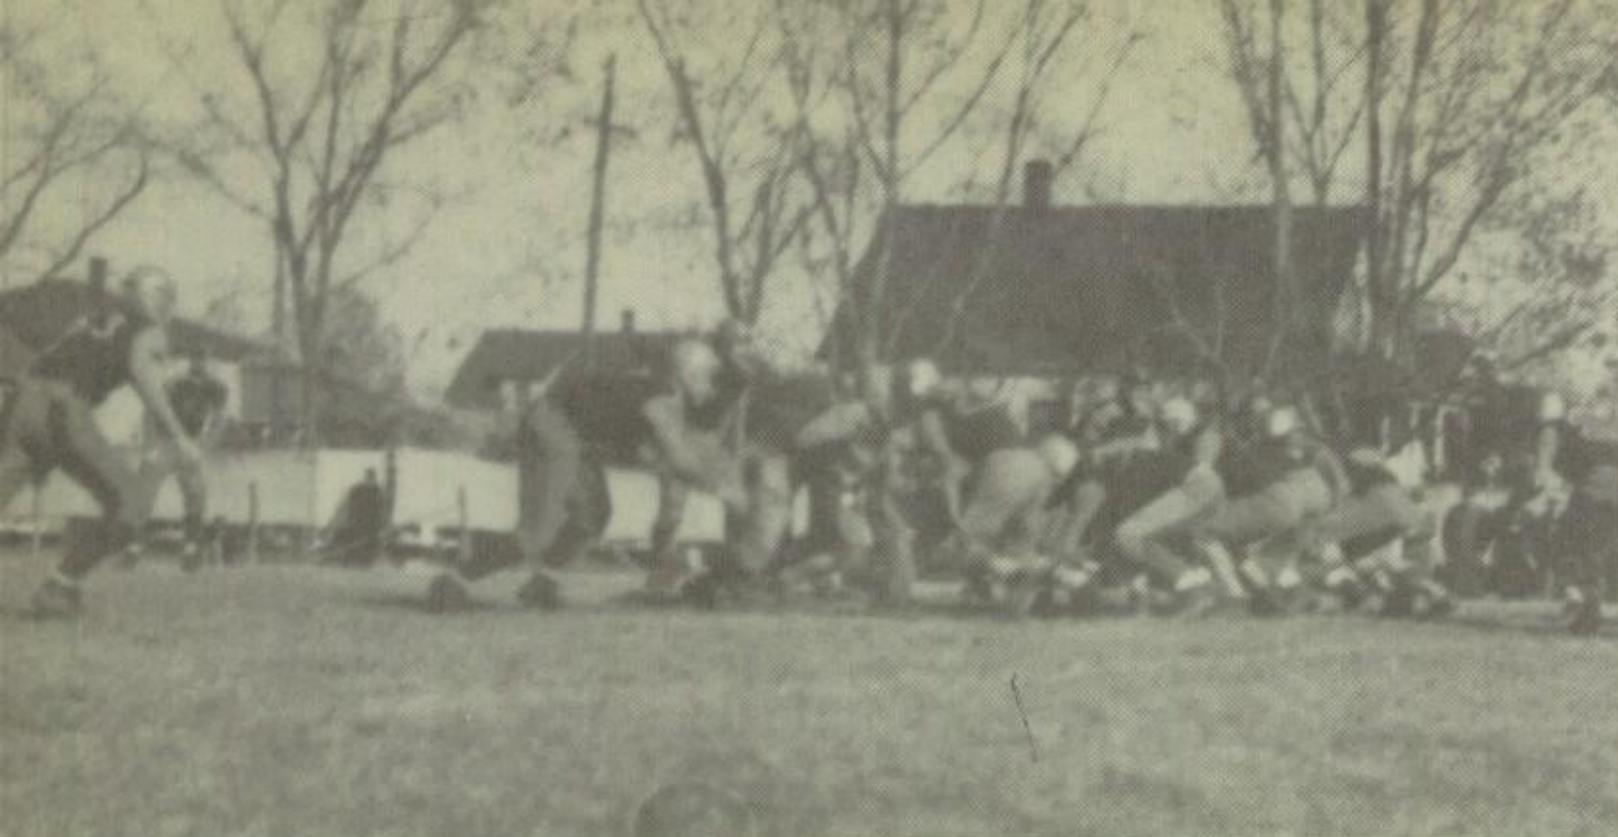

With the ball resting on the one foot stripe, a possible Grand Haven touchdown was cut short by the ending of the first half. Young, Mike Krompotich, and Salisbury showed up well in the Grand Haven forward wall, while Weber and Licitra were the two sparks of the backfield.

### *Grand Haven 6 — Benton Harbor 0*

The Blue and Gold's first S. W. Conference victory of the season was accomplished on foreign soil when Benton Harbor was defeated in a night contest 6-0. Grand Haven outcharged the Black and Orange and displayed a marvelous passing attack which was chiefly responsible for the victory. Weber made two beautiful gains and was tartar on defense. Grand Haven scored its only touchdown with but four seconds of play remaining. Murphy was the hero, when he charged in and literally took the ball from the kicker's toe and fell on it in the end zone for the score. Licitra's defensive play was outstanding as was Anderson's kicking and passing.

### *Grand Haven 0 — Muskegon Heights 32*

November 5 saw the Blue and Gold team journey to Muskegon Heights with high aspirations, which went for naught as the big Tiger eleven steam-rolled them into a 32-0 defeat. After a scoreless first quarter the Heights started a second period stampede which netted them three touchdowns. Outstanding for the Grand Haven cause were Al Jacobson, the Krompotick twins, and Bob Pellett.

### *Grand Haven 6 — St. Joseph 27*

This game saw Grand Haven playing host to an old tournament basketball foe, St. Joseph. The downstaters presented a well balanced driving attack that netted them a 27-6 victory. Grand Haven apparently had an "off" day and could not get their strong pass attack to functioning properly. Captain Weber reeled off several long gains and played a strong defensive game at his fullback post.

### *Grand Haven 6 — Holland 6*

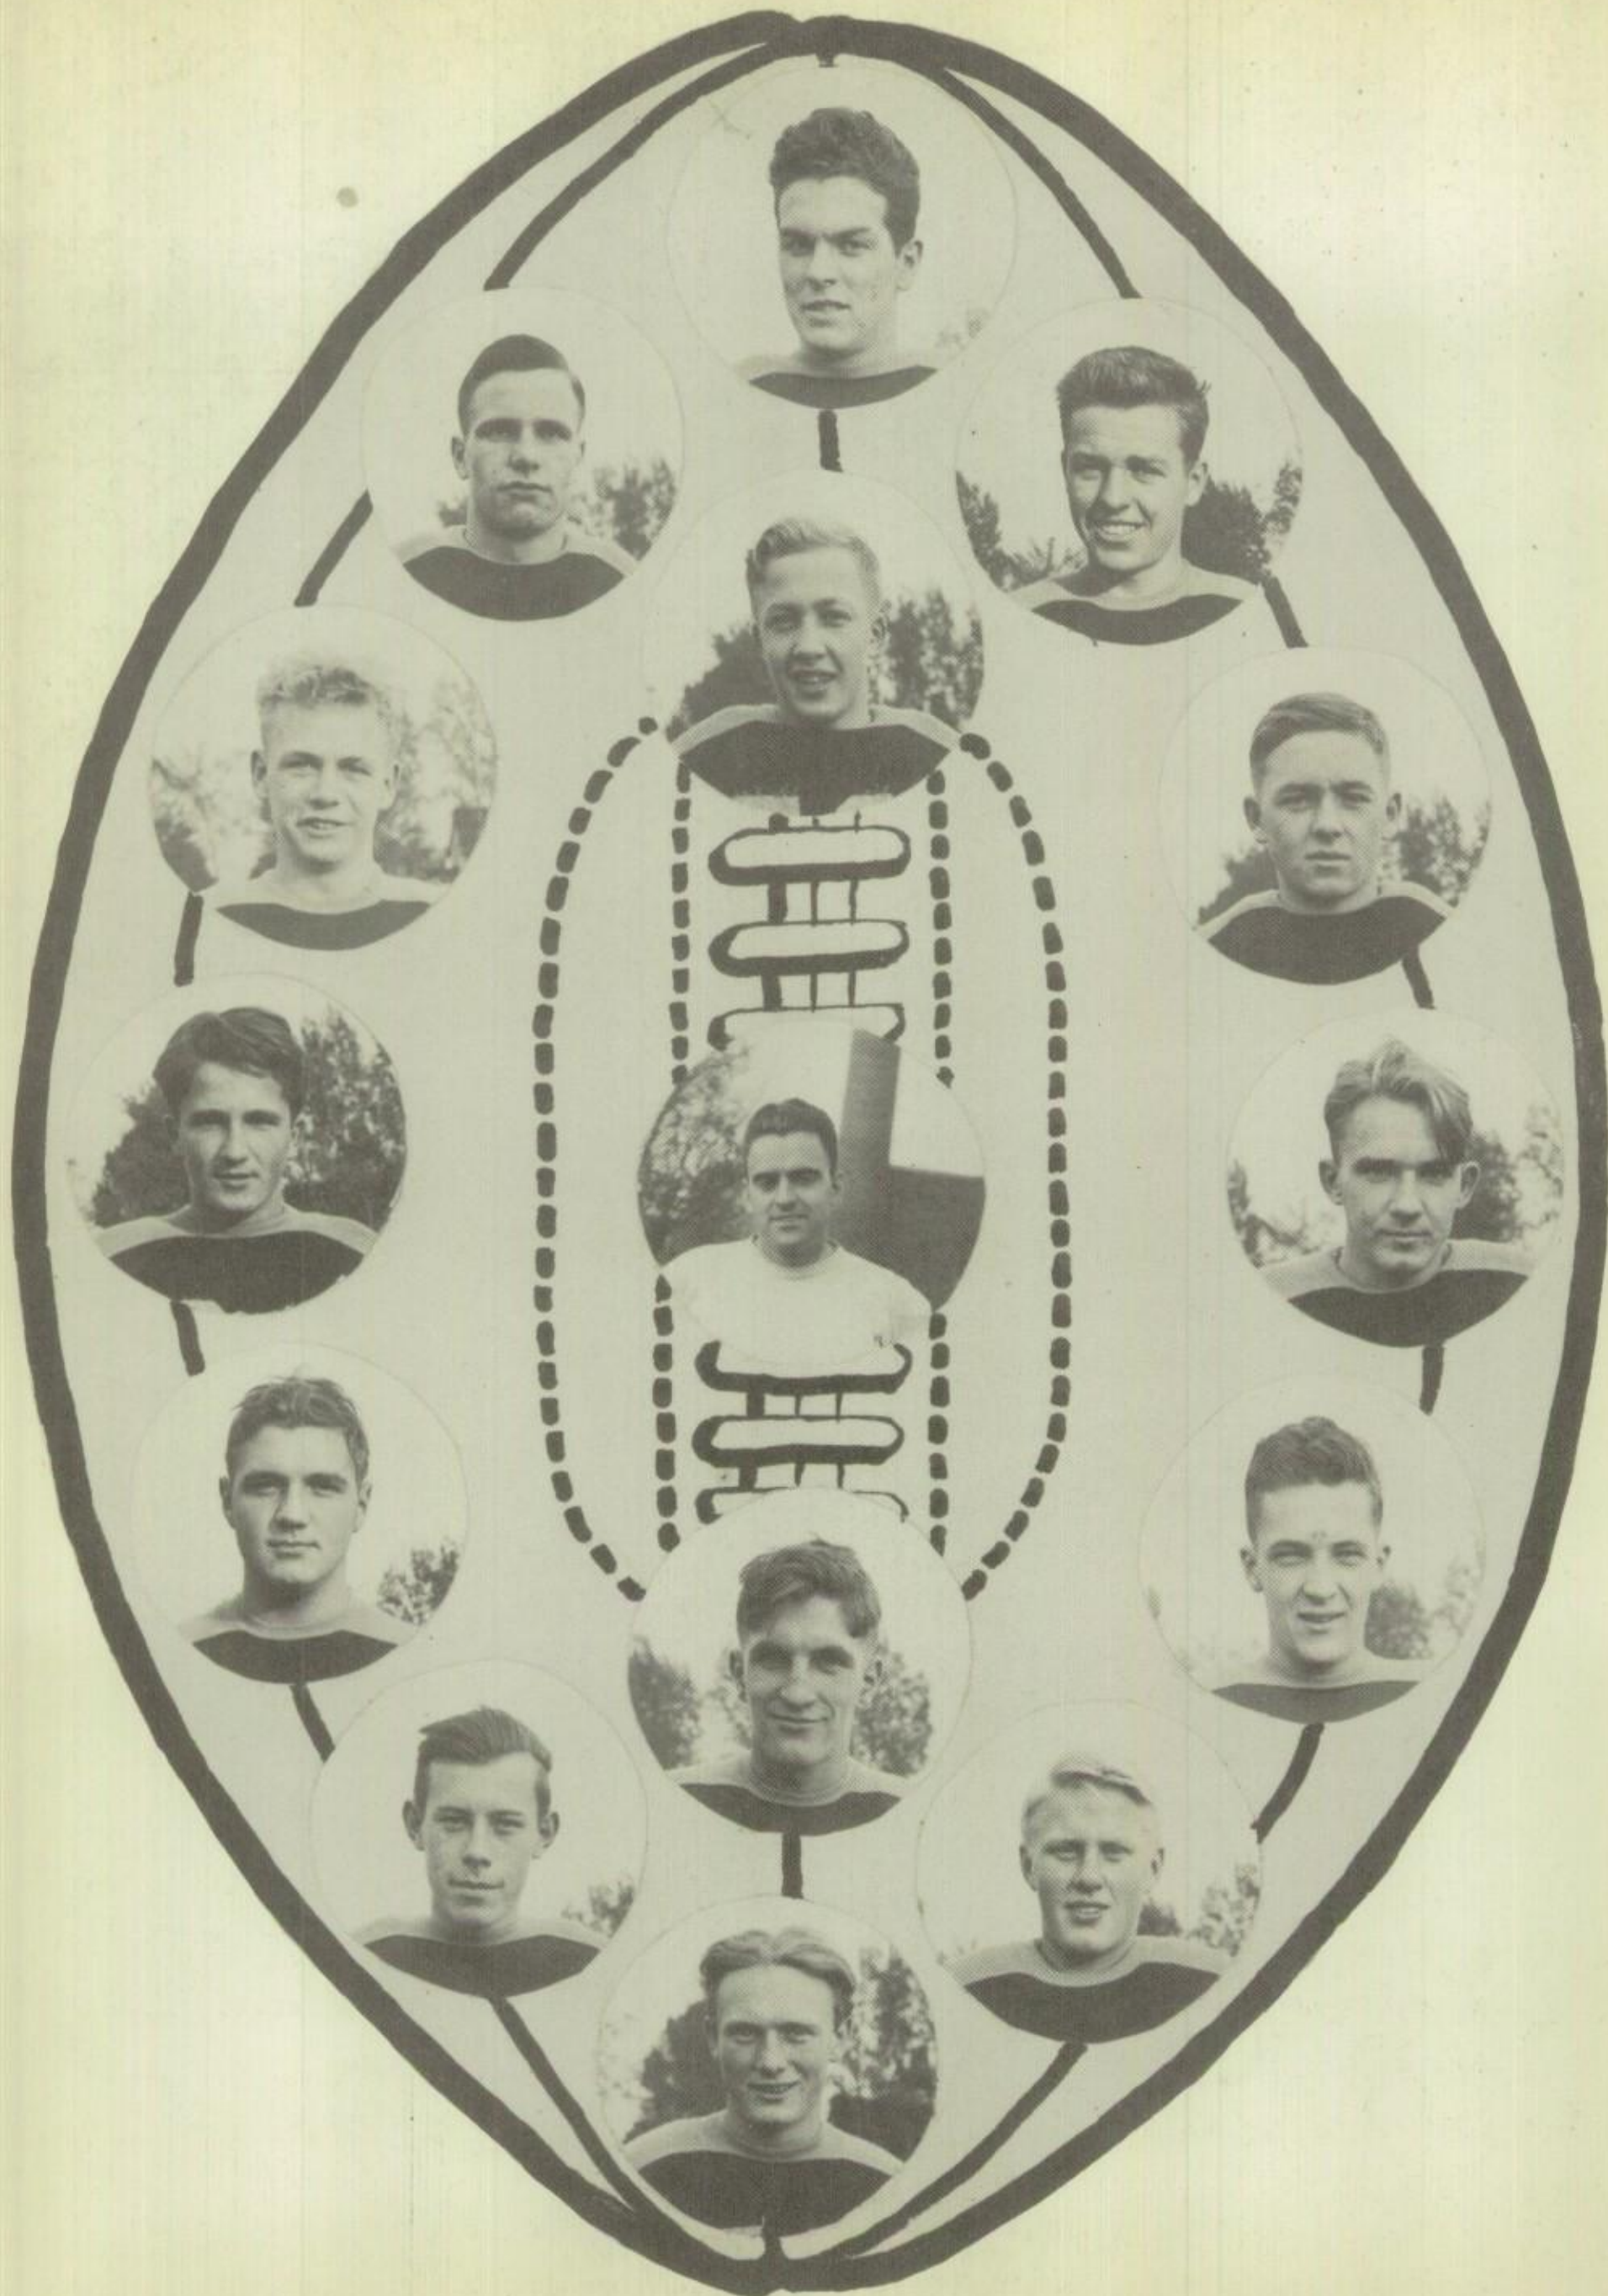

The final game of the season was postponed to Thanksgiving Day due to a heavy blanket of snow the previous Saturday. A huge crowd was on hand to witness the expected rout by Holland's highly touted machine. However, Coach Bosworth in the last game of his career was treated to the best performance of football courage that the Blue and Gold eleven had shown all year.

The result ended in a 6-6 tie, although had not Pellett suffered the unfortunate accident of stepping out of bounds in receiving a pass over the goal line, Grand Haven would have won. The Dutch were clearly outfought, outcharged, and outplayed and the outcome can justly be considered a "moral" victory for the Golden Wave. Both Matchinsky and Grissen of Holland were continually thrown back for losses and the Dutch appeared a dejected band of gridders.

The credit for scoring the touchdown goes to Ed Licitra, who drove over from the two yard stripe. The hard running, hard tackling of Weber and Jacobson, tackles, Mike and Carl Krompotich, guards, and Pellett, end, must get the lion's share of credit for the Grand Haven "moral" victory although every Blue and Gold player performed in capable style to make the season's grand finale an overwhelming success.

## RESERVE FOOTBALL

With another light and inexperienced team, Coach Keith Odle's Reserves went through their second consecutive season without a victory. Lady Luck failed to descend upon our hard-working future heroes, although much courage and gameness was shown in the defeats they suffered. The stalwart performances of Merle Lulofs, Edwin Weavers, Burdette Morritt, and Ivan Miller promise some excellent first team material next fall.

## BASKETBALL

•

The supremacy of Southwestern Conference basketball over the "common garden" variety outside the circuit was clearly established by the 1937-38 Blue and Gold basketball team. The scores of Grand Haven's season verify this statement, for the Cohrsmen won four out of ten games in the Conference, and all four of their outside games. Through the first five games it appeared as though we were the "cream of the crop" when Fremont, Ottawa Hills, Jackson, Muskegon, and Muskegon Heights were easily subdued. Then came the 29-28 defeat at the hands of Holland's strong club from which the team never seemed to recover.

In their seventh start, Benton Harbor was met in the Blossom City where Grand Haven was upset 28-25. The bruising battle with Holland the previous week apparently had its after effects, and the Blue and Gold were not able to hit their stride.

The highlight of the season came the following week when Grand Haven handed Kalamazoo Central a 29-27 defeat in the local gymnasium. The Kazooks later went on to capture the state Class A championship. Muskegon Heights was then defeated on their home lot 33-25.

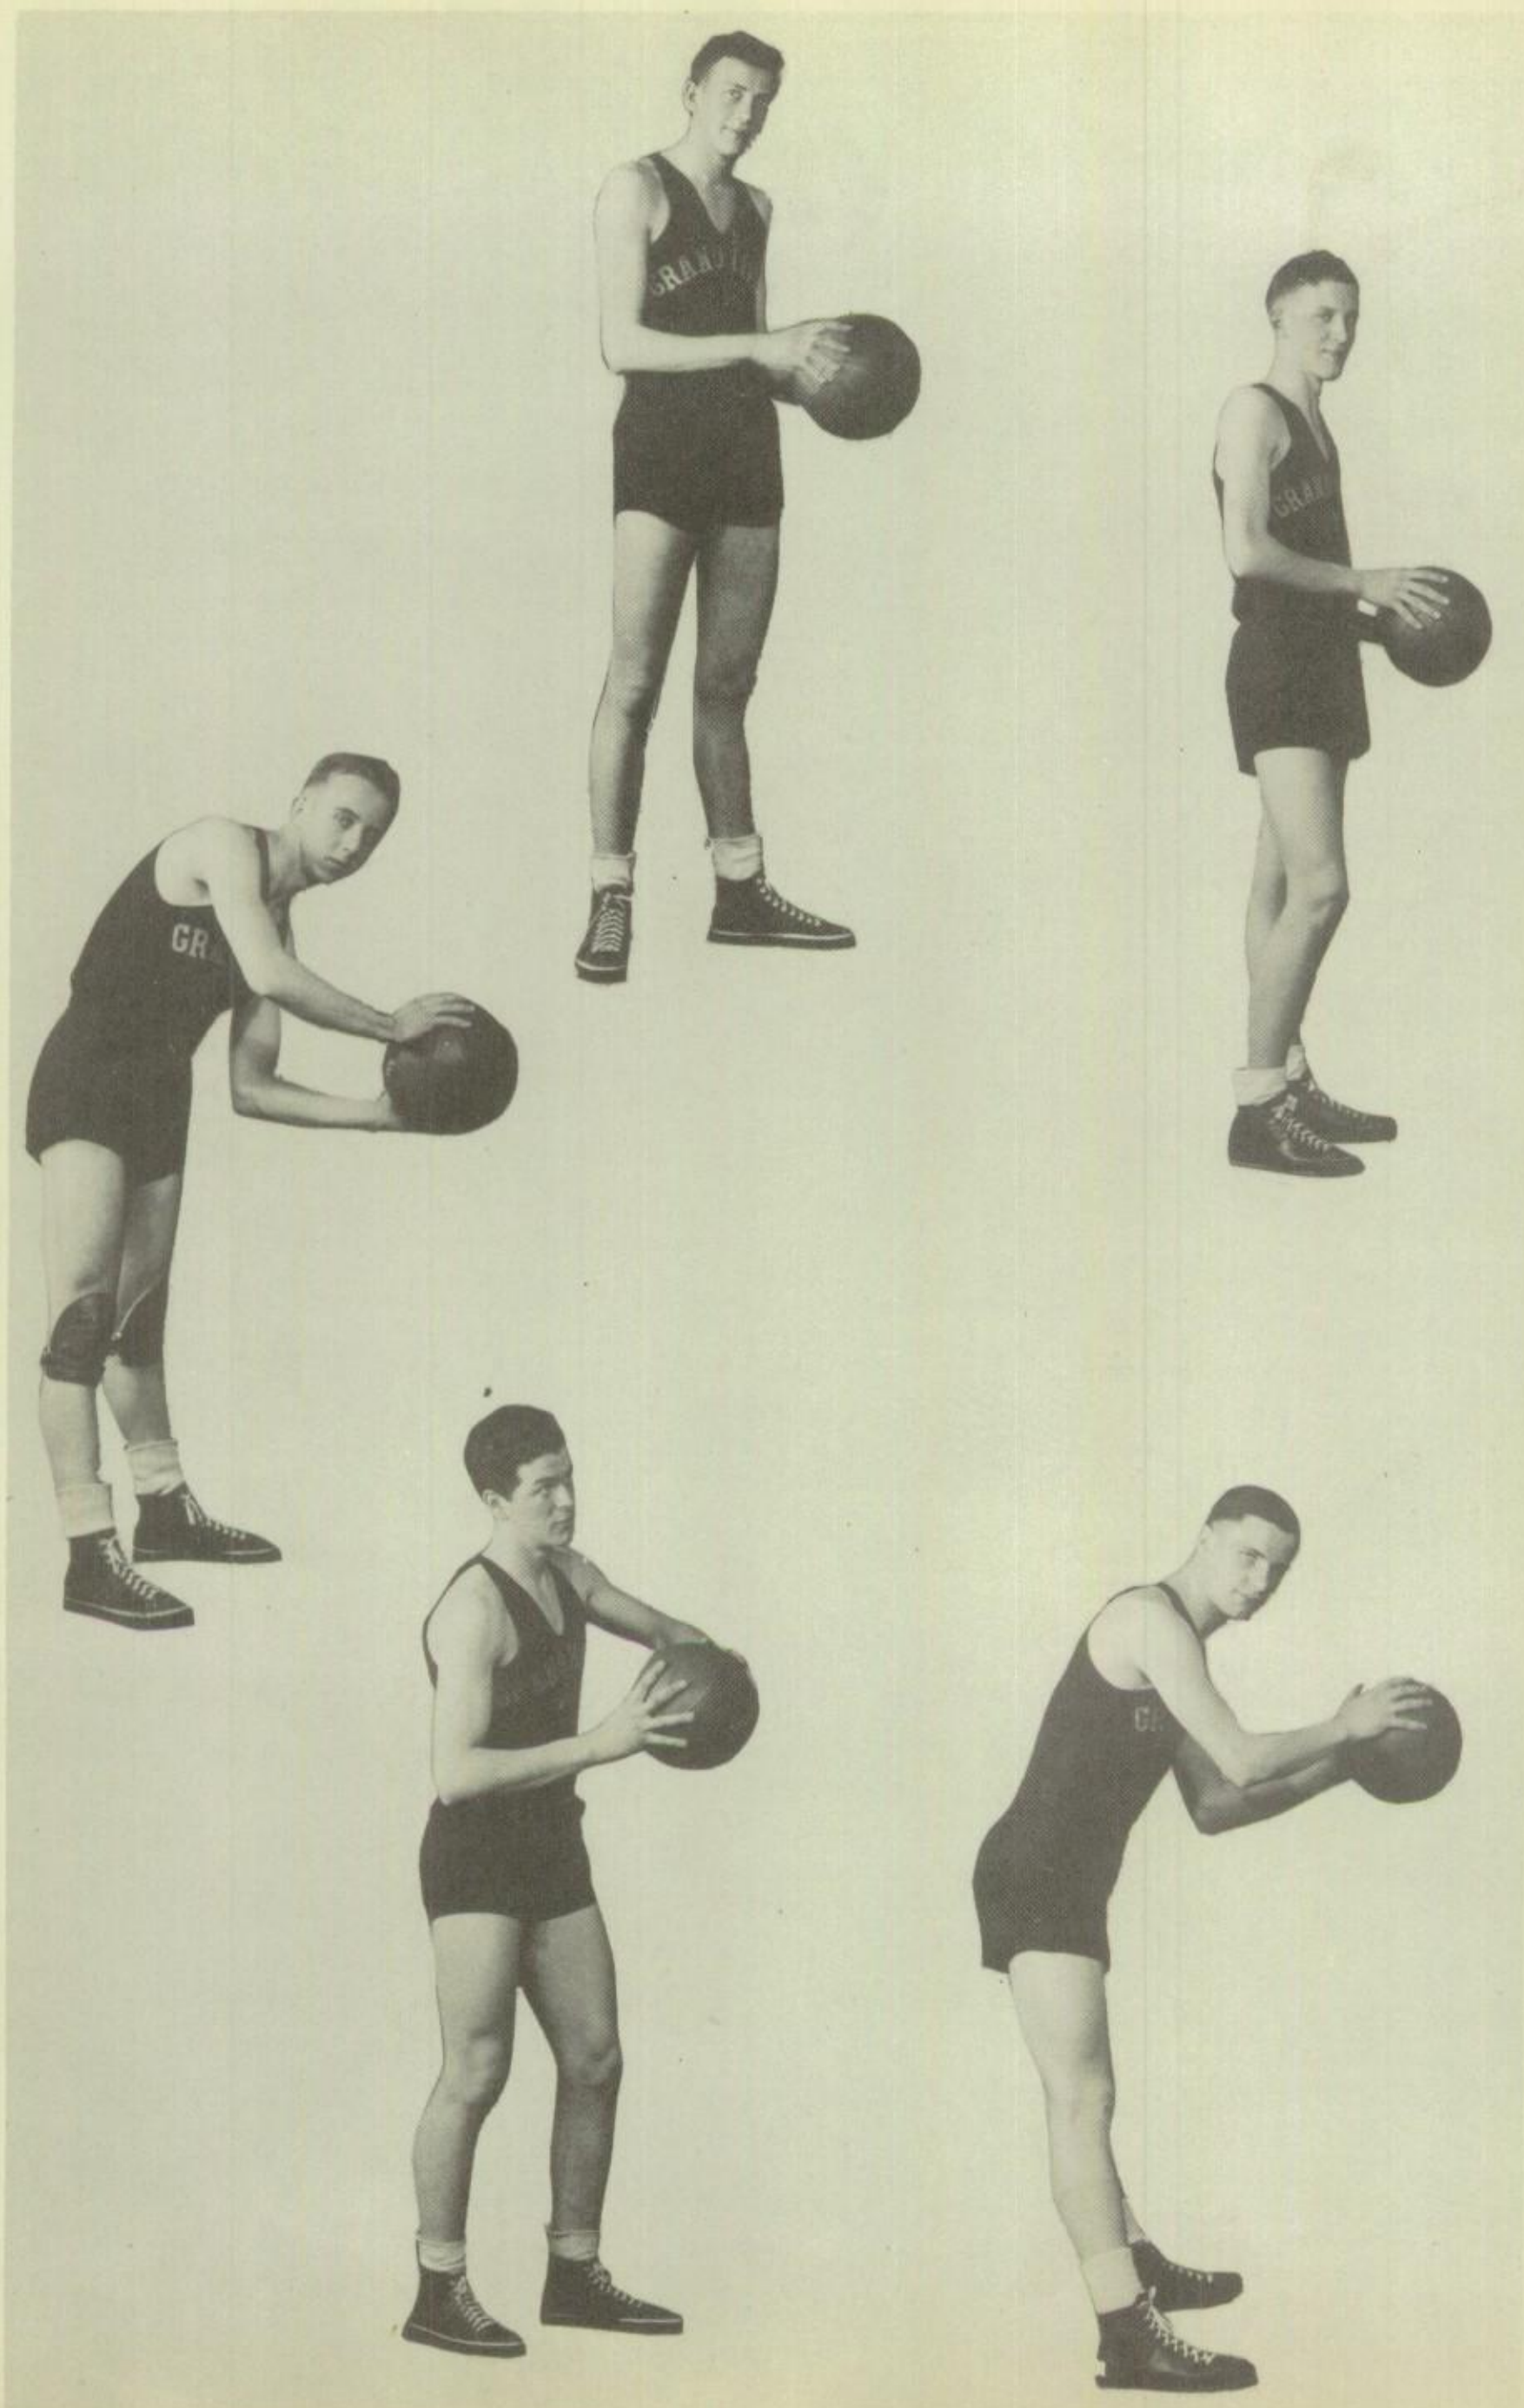

At this point of the campaign the local machine went into a disastrous tailspin and the remaining five games on the schedule netted only one victory, a 37-30 walloping of Ottawa Hills. Bill DeWitt sank 17 points in this game, turning in a brilliant performance at his forward berth.

Grand Haven's rather meager record in Conference play can be attributed to the tough competition furnished and the serious handicap in their lack of height. Holland had one of its infrequent good years, and Kalamazoo Central and Benton Harbor were exceptionally strong.

This year marked the first time in fifteen years that the Blue and Gold has failed to win a Regional tournament. Grand Rapids Christian, which later went on to take the state Class B honors, eliminated us in the Regional finals 23-20. The Cohrsmen, however, won easily in the district play offs, drubbing Fremont 40-18.

At the close of the season, varsity letters were awarded to George Weber, Frank Fett, Capt. Stanley Waskin, Earl Boiten, Robert Pellett, Donald Miller, Bill DeWitt, Russell Baltz, Russell Wierenga, Charles Rycenga, and Manager Jack Crane. The following players, DeWitt, Baltz, Wierenga, and Rycenga, return next year.

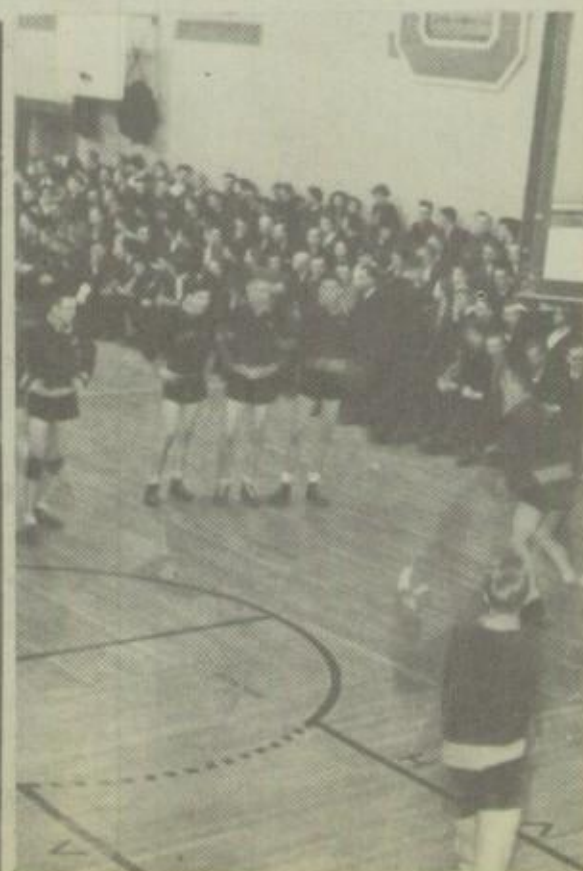

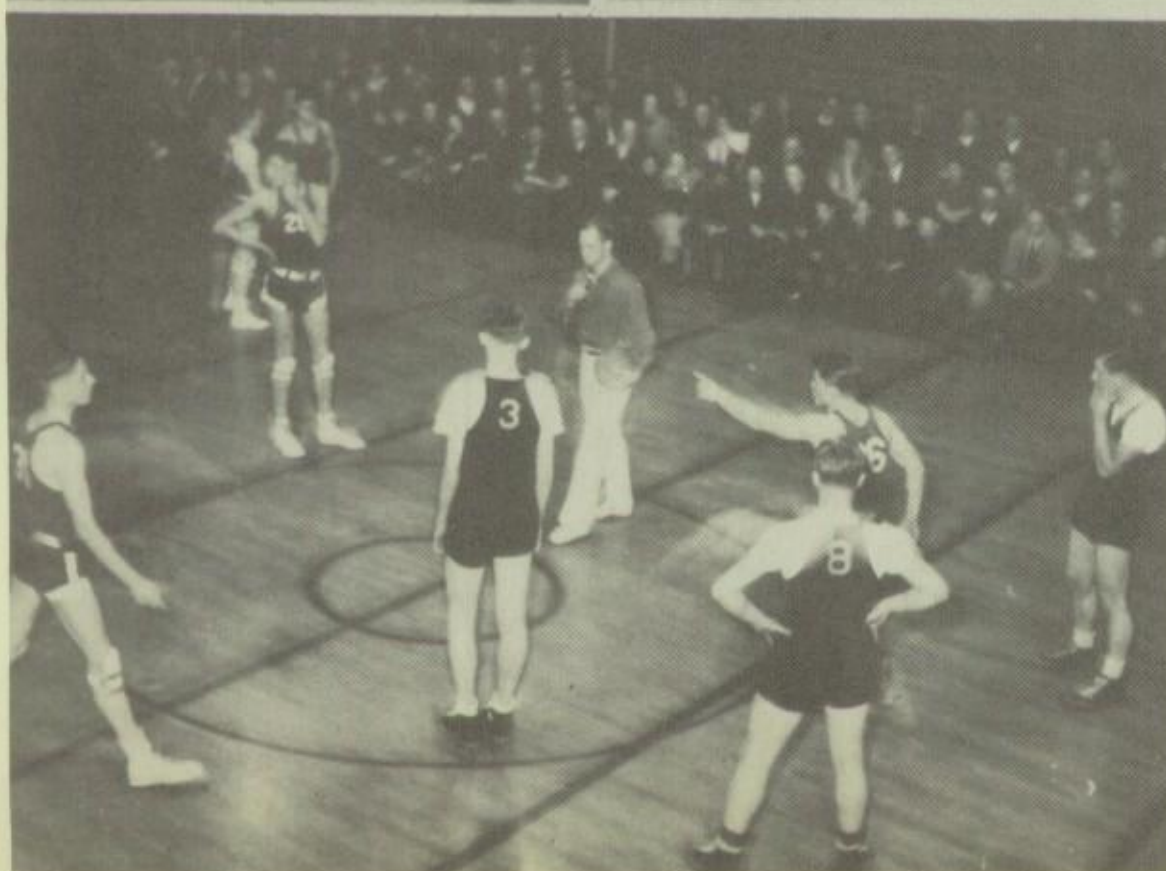

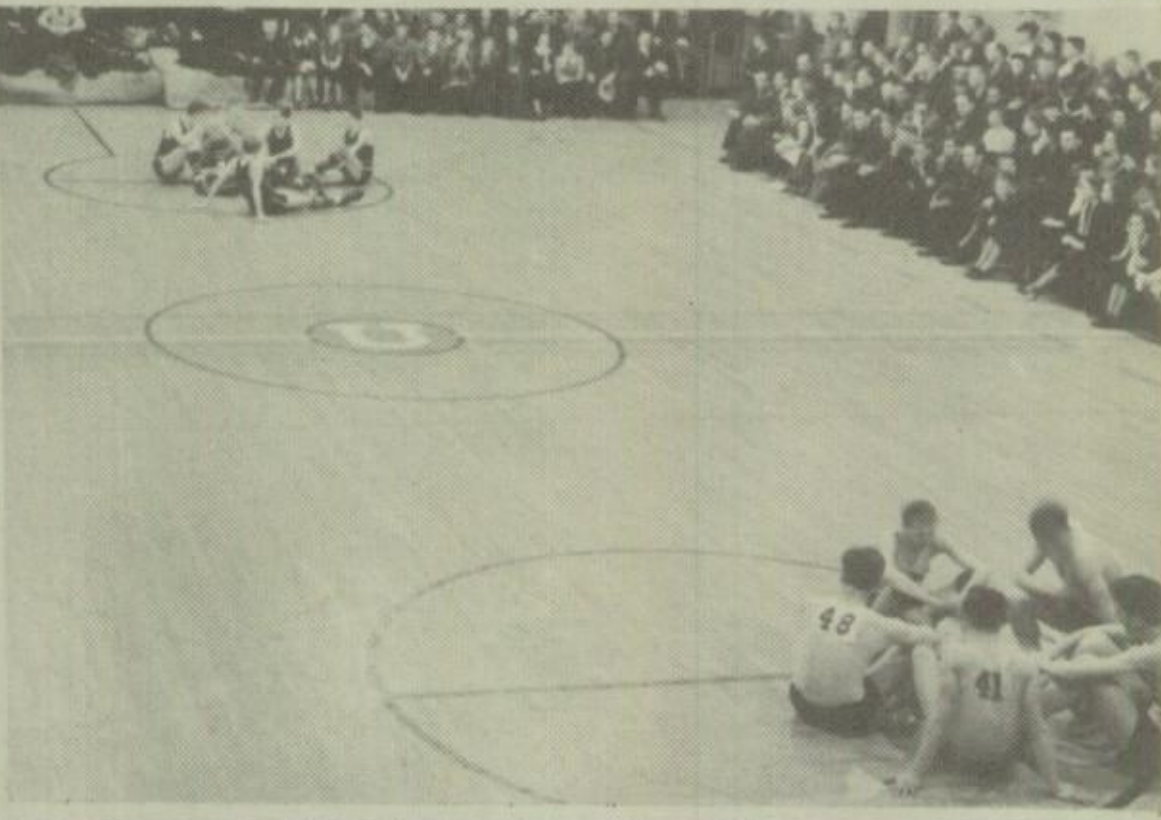

## RESERVE BASKETBALL

Starting the year with a squad composed of many new "rookies," Coach Frank Sanders compiled an exceedingly good record in his first year as Reserve Coach, his team winning ten of their thirteen games. The only three schools which were able to win from the "scrubs" were Muskegon Heights, Muskegon, and Ottawa Hills. The starting five of Van Stratt, Licitra, Miller, Rothi, and Weavers, should furnish some good material for next year's varsity.

## TENNIS

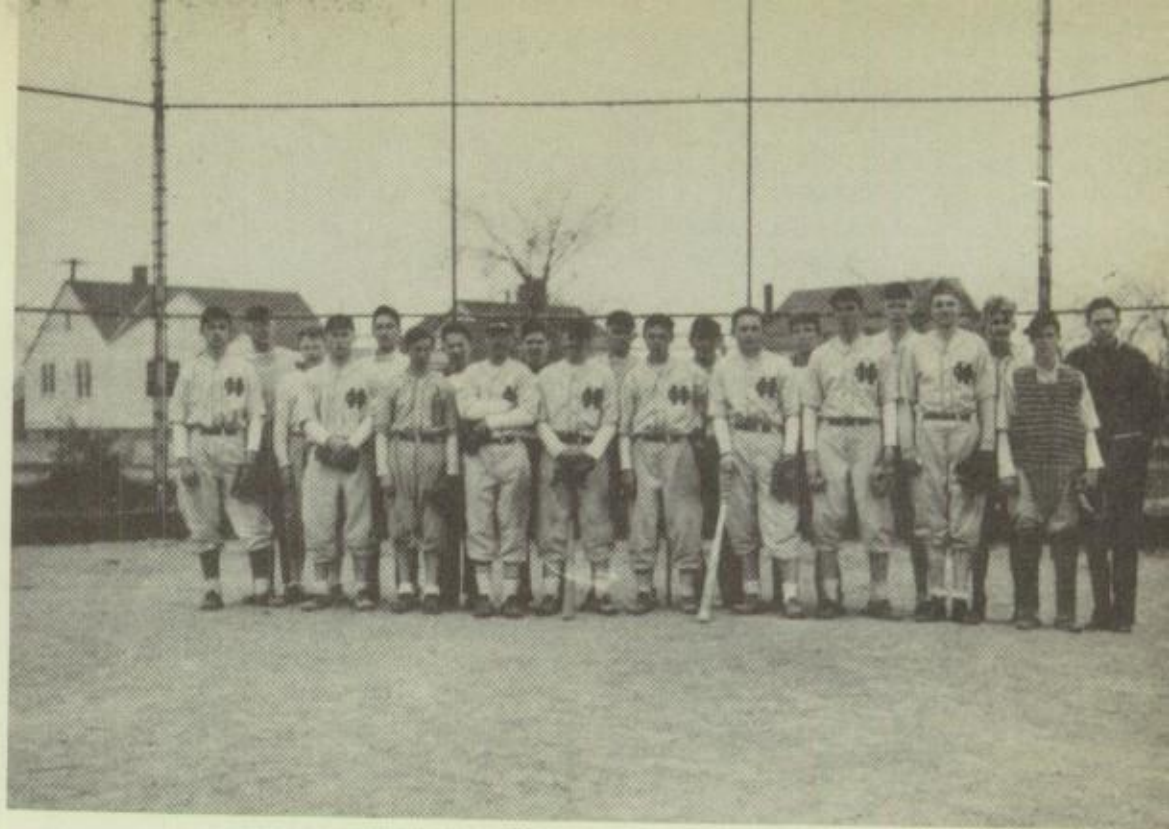

The 1938 tennis team has a lot to live up to in the light of the successful seasons of the past, particularly the champion team of last year. With Russ Baltz, Bob Van Hoef, Bob Hoek, Don Austin, Bob Pippel, George Weber, Louis Murphy, Rodney Hale, Ronald Odmark, Don Van Bemmelen, Jack Voshel, and Ed Weavers back, and with Gene Rothi added, the season has been successful. Fifteen matches were scheduled in addition to the Southwest Conference Tournament which was held here June 4.

With 12 matches to play, the 1938 Golf Team had an active season, climaxed by the Southwest Conference Tournament here in Grand Haven. Lettermen back this year were: Bill DeWitt, Dave Hindal, and Stan Southerland. Others most likely to compete were Russell Klintworth, Bob Bowen, and Bob Soule. Mr. King coaches the team.

## GOLF

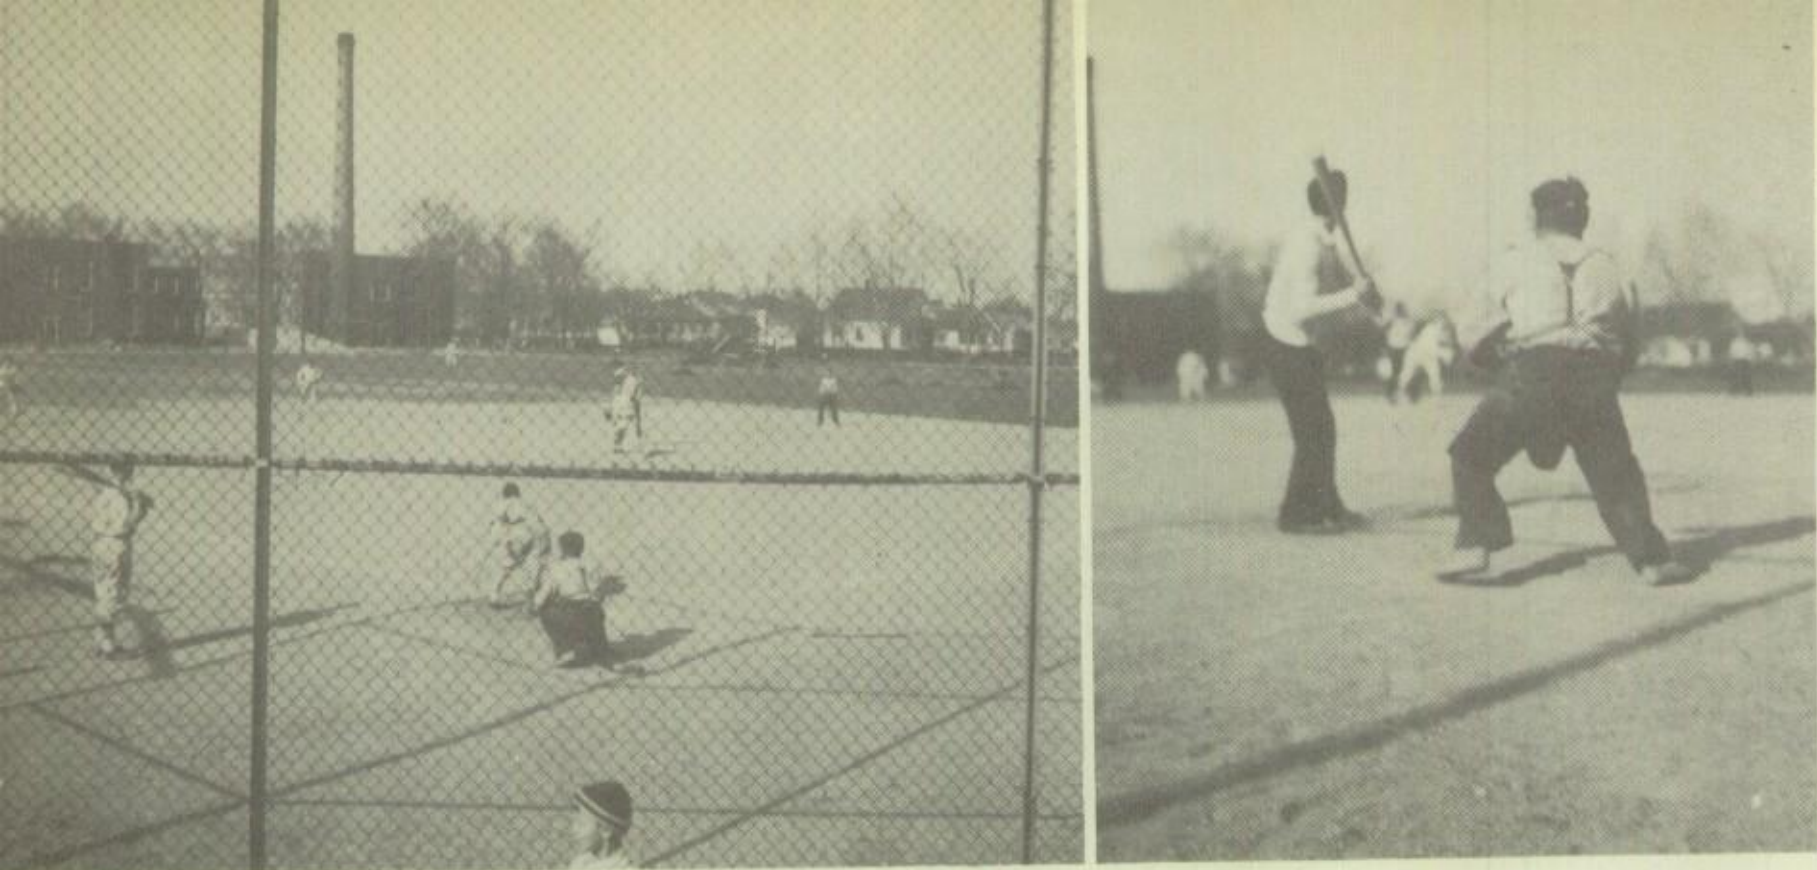

## BASEBALL

During the past two years a newly awakened interest in high school baseball has made the sport popular throughout schools of Western Michigan. Beginning April 26, Grand Haven has averaged two games a week to cover its 11 game schedule, meeting these opponents: Muskegon, Muskegon Heights, Grand Rapids Union, Ottawa Hills, Grand Rapids Central, Coopersville, North Muskegon, and Western State High.

Members of last year's team who are playing this year are: John Bazany, Ray Green, Bob Pellett, Judson Baldus, George Yedinak, Bud Cook, and Art Fisher. New players are Marshall Parmalee, Owen Fett, John Velik, John Theiler, Stuart Anderson, Warren Bethke, Ralph Baldwin, Cort Pelton, and Robert McGreevy.

## INTRAMURAL ATHLETICS

•

A very fine intramural athletic program is being carried on in the public schools, which affords the boys and girls to play in activities after school and Saturdays. There are three seasons of intramural sports: fall, winter and spring.

In the fall, boys and girls can play out of doors, such activities carried on as soccer, touch football, softball and field hockey.

In Winter, ice hockey, basketball for boys and volley ball for girls is carried on. Close to 140 boys compete in basketball leagues in the grades and junior and senior high school. Leagues for junior and senior high girls also take in many girls.

In Spring, softball is the main activity, although hardball and tennis are also on the program.

Although no awards are given in intramurals, much enthusiasm is shown in all activities, and the honor of being the winning team is the reward.

At the beginning of our school year a call was sent out for any girl who wished to participate in after school games. Many answered the call.

First they played Diamond Kick, which is sometimes called Kick Ball. After this the girls enjoyed playing Volley Ball.

During the winter, basketball was played. This took up most of their time. At the beginning the girls were divided into six teams. Dorothy Swiftney's team placed first while Una Mae Michael's team followed closely taking second place. Then the girls were divided into four class teams. There was one freshman team, two sophomore teams, and one junior team. The seniors did not organize soon enough to participate. One of the sophomore teams won first place and the juniors won second place. All of these games were refereed by the girls themselves.

This spring the girls participated in Soft Ball.

Miss Anderson tells us she was glad to see so many turn out for the games and that she enjoyed supervising this fine group of girls.

## GIRLS' ATHLETICS

FEATURES

## OUR BOOK STORE

•

We have in our midst a thriving business exemplified by our book store. It does a wonderful business particularly because of its convenience for students and its special policy of near-cost salesmanship.

Commercially speaking, the book store isn't a paying proposition, although the total sales amounted to \$3,841.62, and the cost of goods was \$3,633.24 for the year ending June 30, 1937. This leaves a gross profit of \$208.38, but the selling expenses reduce the figure to a net profit of only \$158.38. It is indeed a small compensation for the convenience and service that our book store offers us.

## CAFETERIA

The cafeteria is the Home Economics II girls' food project. The girls plan, market, and prepare the food. Miss Towers is in charge. The girls fed twenty-two children during the month of February. This was an extra project.

The purpose of the Cafeteria isn't to make money but to give the girls experience in cooking on a large scale and Institution management.

More students have eaten their lunches in the cafeteria this year than in previous years. The average servings are from forty-five to fifty a day. Cafeteria is for the students as well as teachers.

The classes of Home Economic II girls are divided into two groups. They alternate in managing the Cafeteria. This gives everyone a chance to work at every place at the counter.

A complete luncheon costs on the average of twenty-five cents to thirty cents a day. This luncheon is composed of a main dish, salad, breadstuff, dessert and a beverage.

## FACULTY CLUB

An enterprising organization in our school is the Faculty Club—its members consisting of the faculties of both the High School and the grades. Mr. Odle as its president has conducted the monthly meetings in true executive style. His all-male staff has cooperated in every detail and as a consequence there have been many unusual problems discussed and the refreshment committees have been good providers. Meetings are occasionally called for only the high school faculty and the junior high and grades have divided meetings also to simplify matters.

The Club has many social activities as well as educational programs. This year they enjoyed a Christmas party with a tree an' everything. Teas were given on Valentine's Day and in observance of St. Patrick's Day. In May, a banquet is given which aptly closes the year's program.

## BANKING

•

The percentage of deposit for high school banking runs lower than the rest of the school system. However, it has taught a valuable thrift lesson. By saving from the grades through high school, many have accumulated enough savings to give them a good start to further education. Others have saved merely to draw out the funds at the end of the year for school expenses.

Miss Walters is the sponsor of the Thrift habit and has served well in the capacity.

## THE GRAND HAVEN APPRENTICESHIP TRAINING PROGRAM

•

About 75 per cent of the students who enter high school do not graduate and attend a higher institution of learning. Formerly the high school, with its academic courses, was chiefly preparatory training for college. Then later with Home Economics and Industrial Arts courses from Junior High through the first three years of high school it became more of an exploratory course to let the students find out what they were best suited for and the things they liked best to do, but still not fitting them for skilled jobs when they graduated. To remedy this, a new apprenticeship training course has been instituted in our high school.

The purpose of this program is to prepare those of the majority who want to learn a skilled trade and who do not go on to college so that they will be able to enter the industrial field as skilled workers. Formerly high school graduates, with no further education or skill, entered into competition with the overcrowded class of unskilled workers. This program will prepare them for jobs which demand skilled workers. Before, the high school did not have the facilities to train the students for such positions. Factories would have liked to train their own workers but they did not have the time or the facilities to train them in related instructions. Now with this new training program both the employer and the school cooperate and prepare the students for skilled jobs.

A coordinator is appointed to lead the program and to take care of and settle difficulties between the employer and apprentice. He also finds openings, selects students and supervises the study of related instruction. The local coordinator is Mr. Bosworth.

The boy or girl who takes this training program must be a junior in high school or at least sixteen years of age. The apprentice goes to school for half a day and works the other half. Of the time spent in school two hours are supervised by Mr. Bosworth. The first hour is taken up by the study of social and economic problems such as government safety and first aid. The second hour by the study of related instruction or reading material pertaining to their jobs; as shop math for a draftsman, and mechanical drawing for a machinist. During the other two periods the ap-

prentice takes two regular high school courses, preferably English and history which are graduate requirements. If they are seniors, they can take some other subjects preferably those that are directly connected with their job. The apprentice will get one credit for the two hour class under Mr. Bosworth in the morning and one credit for the work he does in the factory or wherever he is working. Then with his credits from his two regular class subjects he will have the required number of credits and can graduate with his class.

When starting work, the apprentice, school, parents, and employer jointly sign an agreement. In this the apprentice agrees to study in school during the time given for such study, subjects concerning his work and the employer agrees to teach him the trade. No apprentice will get less than \$ .20 an hour to start with and if his work is satisfactory he gets a raise every six months as stated in the agreement. He works a minimum of twenty hours per week.

The time required to become skilled in the various trades is from two years for learning sales and management to five years for learning the printing trade.

The person who takes this course and is out of high school works all day and comes to school two nights a week for two hours each night to study related instructions. The minimum number of school hours or hours of related instruction for a person who is out of school is four hours per week.

Anyone is eligible to try and get in this program. There are about 30 apprentices employed, five of whom are Post graduates. These apprentices represent about twenty different trades. For the boys there are such jobs as drafting, machinist, auto mechanic, etc.; for the girls, office practice, beauty culture, and dress making.

The whole philosophy of the Apprenticeship Training Program of Grand Haven may be summed up by the following quotation:

"The theoretical man knows why. The practical man knows how. The man who would lead must know why and how."
